

at age 69. Jim served Mesa County and the Western Slope as an attorney, as a school board member, as a state representative and as a federal magistrate judge. He served us ably and well in all of these capacities, but it is in his work outside of his career, his amazing dedication to doing all he could to make his community a better place that keeps him in our hearts and minds.

Jim had a vision for his community that is perhaps best exemplified in his work on the Riverfront Trail, he could look at that collection of junkyards and rotting tires and see past it to a time when there would be a beautiful trail along the Colorado River, running from Island Acres east of Palisade to Corn Lake to Connected Lakes to Fruita. He had the quiet ability to bring interested parties together to work on a problem and find a solution without ever taking credit for himself. His vision of a trail along the river where others saw only junkyards has become a reality and the State of Colorado has honored Jim Robb by renaming the Colorado River State Park as the James M. Robb Colorado River State Park.

Mesa County and Western Colorado are very blessed to have benefitted from a man with a vision, a man who knew how to get things done by working quietly with all of the interested groups, a very special man, whose love for the state of Colorado, and Mesa County in particular lives on in the River Front Trail he helped create, in the Old Spanish Trail he worked to have declared a National Historic trail, in the Kids Voting Program he envisioned and nurtured and in the lives of those he left behind, most especially, his family, his loving wife, children and grandchildren who continue his legacy and were the light of his life. Those who were privileged to know him are better people for it and our community is a better community for his energetic proposals for improvement. He was a great leader for the Western Slope and for Colorado. And he was a good friend to me. We are grateful for the life of James Montgomery Robb, and thank his family for sharing him with us.

Sincerely,

KEN SALAZAR,
U.S. Senator. •

S. 2367. A bill to provide a cause of action for United States port operators with respect to the potential change of ownership of a terminal operator to a foreign entity, and for other purposes; to the Committee on Banking, Housing, and Urban Affairs.

Mr. LAUTENBERG. Mr. President, on September 11, 2001, the longshoremen who work on the docks in Newark, NJ, could see the flames and smoke from the World Trade Center. Many of those dock workers lost a loved one or a friend that day. Of the three thousand people who died, 700 were from New Jersey.

I have been to Port Newark many times before—I used to serve as a Commissioner of the Port Authority. This week I went back to Port Newark to tell those workers why I thought it was a bad idea to turn control of their port over to the government of Dubai, the United Arab Emirates. I really didn't have to explain it to them. They understood why it is a bad idea—just as 70 percent of the American people understand.

Unfortunately, as of yesterday, a company owned by the government of
